

Documentation / Credit Available for 2019/2020 Peak Area Leadership in Science Hub Meetings

You may choose one of the following options for documenting your involvement in the 2019-2020 Peak Area Leadership in Science Hub Meetings:

- **Professional Contact Hours Certificate** is available free through Cheyenne Mountain District 12 for participants who have attended 3.75 or more contact hours and have NOT requested college credit through CSM. **NEW:** An electronic certificate will be emailed to you at the end of the school year (mid-June) , provided your email address is on file with PALS. ***We will not be sending paper copies.*** You can use this document to submit to CDE for renewing your teacher license. There is a possibility that your district may also accept this documentation, but often this requires prior approval and may involve fees. You would need to pursue this *in advance and on your own* as each district has different policies. To receive the contact hours certificate, you must attend and actively participate in the entire workshop(s).
- **Colorado School of Mines Teacher Enhancement Graduate Level, Non-degree, Relicensure Credit** is available with a letter grade of A or B for a modest fee. For college credit, you must write a check to Colorado School of Mines – they do not accept credit cards. CSM Credits are not available until late June 2020. This recertification credit is not applicable toward a CSM degree program. More information provided below.

Please Note: Deadline for applying for any type of documentation is Tuesday, May 12, 2020.

More information about College Credit through CSM:

You may earn up to 4.0 semester hours by participating in Hub meetings this year. We will have five full day (7.5 hr) meetings and six afternoon/evening (3.75) hour meetings. You can only earn credits in increments of 0.5 sem credits. Attending only one 3.75 hour meeting will result in no credit (or no certificate). [Costs - determined by CSM - and subject to change.]

- To earn **0.5 credit**, you must attend at least two 3.75 hour meetings or one full day meeting. [Cost = \$40]
- To earn **1 credit**, you must attend at least 15 contact hours. [Cost = \$55]
- To earn **1.5 credits**, you must attend at least 22.5 contact hours. [Cost = \$85]
- To earn **2 credits**, you must attend at least 30 hours. [Cost = \$95]
- To earn **2.5 credits**, you must attend 37.5 hours. [Cost = \$125]
- To earn **3 credits**, you must attend 45 hours. [Cost = \$135]
- To earn **3.5 credits**, you must attend 52.5 hours [Cost = \$165]
- To earn **4.0 credits**, you must attend 60.0 hours. [Cost = \$175]

CSM credit is awarded with a letter grade of A or B.

Colorado School of Mines Credit with a Letter Grade of B

Grade Requirements: **Attend** and be an **active participant** in the **entire** Hub meeting(s).

Colorado School of Mines Credit with Letter Grade of A

Grade Requirements: **Attend** and be an **active participant** in the **entire** hub meeting and complete a **reflective journal** which consists of your notes from each meeting you attended **plus** the insights you gained. Deadline for your journal is May 12, 2020. The journal will be reviewed for quality by a Hub Coordinator in order to determine your grade for the course.

CSM Course Credit Forms will be available at the Spring meetings, but they will not be sent in to CSM until late May 2020. We are not allowed to send out these forms electronically, so they will need to be filled out at a meeting. We do accept checks (post-dated only) and completed forms before the deadline. Transcripts will not be available until late June 2020. Request for CSM transcript forms will be available at our meetings or you can access an online link through our website (www.sciencehubs.org) or directly through the Teacher Enhancement Program through CSM at <http://te.csmospace.com/register.php> .
