"Dazzling Chemistry Demonstrations"

U.S. Air Force Academy

Chemistry Department 9:00 – 5:00

Facilitated by
Ron Furstenau and Gary Balaich
USAFA Department of Chemistry

- **"Chemistry Magic"**
- **"Incorporating Demos into a Lesson" lunchtime presentation by Dr Ron Furstenau**
- **"Hands-on Demonstrations" Practice Demos that you can use in your own Classroom!**
- **Dr. Gary Balaich's All-time Favorite Demos – some of which may not be doable in your classroom, but are really fun!**
- **Sandy Lamb, Director of the K-12 STEM Outreach Program at USAFA, will give a short briefing on the programs, tours, and equipment available for teachers via her office.**

You must RSVP for this workshop!

You must present a valid photo ID at the USAFA North Gate for entrance.

Meet at the south steps of the Cadet Field House at the U.S. Air Force Academy at 9:00 for check-in.

We will leave the parking lot promptly at 9:15. Late participants will not be able to attend. No early departures. Escorted Access Only.

Come and update your science content… network with other science teachers… win a door prize… earn professional development hours… have fun ! ☺
Bring your science notebook! We will provide notebooks for new participants.
Bring your own lunch ☺ (Some breakfast items, snacks and beverages will be provided.)

This workshop is possible because of GENEROUS funding provided by:

MIKKELSON FOUNDATION

and The Mikkelson Education Fund

Providing Support for Teachers
