Explore Biodiversity and Life Zones at Mueller State Park

August 22, 2020

Mueller State Park, 21045 Highway 67 South, Divide, CO 80814

8:15 am - 4 pm

Meet at the Visitor's Center at Mueller State Park at 8:15 a.m.

Presented by:

Linda Groat, Program Coordinator, Mueller State Park

Tracy Predmore, SE Region Education Coordinator, Colorado Parks and Wildlife

April Estep, Wildlife Biologist

Very Important to Remember ...

You must pre-register. We have a limit of 15 participants.

Bring a lawn chair, your sack lunch, and your smartphone with the free app for iNaturalist downloaded.

Bring your science notebook and pen or pencil.

PALS provides a free science notebook at your first meeting of the year!

You must provide your own transportation.

We will pay your admission to the park.

Wear hiking shoes and dress for being outdoors in all weather, including rain.

You must bring and wear a mask, observe social distancing, and wash/sanitize your hands as needed.

HIGHLIGHTS - You will...

- explore the biodiversity of the many life zones of Mueller State Park.
-learn how to use the iNaturalist app.
-observe and identify macroinvertebrates.
-learn about bats, their biology and their behavior.
-study the watersheds of Colorado.
