The Discovery of the Rise of the Mammals at Corral Bluffs

September 26, 2020

8 am - 1:30 pm

Meet at the Space Village Loaf'n'Jug, 6857 Space Village Ave 80915 by 8 am

Presented by:

Sharon Milito, retired teacher and member of the Rise of the Mammals Discovery
Rose DiCenso, retired teacher and Corral Bluffs Alliance Member

Very Important to Remember ...

You must pre-register. We have a limit of 16 participants.

You will not be able to leave early.

There is no bathroom after leaving the meeting point.

The hike is strenuous and ~ 4 miles long

You must provide your own transportation.

Bring snacks and water

Wear hiking shoes and dress for being outdoors in all weather, including rain and direct sun. If you don't have closed toe shoes when you arrive, you will not be able to attend!

You must bring and wear a mask, observe social distancing, and wash/sanitize your hands as needed.

Bring your science notebook and pen or pencil.

PALS provides a free science notebook at your first meeting of the year!

SNACKS &
WATER / POP
PROVIDED

HIGHLIGHTS - You will...

- see the discovery sites of the Rise of the Mammals fossil specimens
- participate in a hike led by a member of the Rise of the Mammals discovery team
- learn fossil activities to use in your classroom

This workshop is made possible by
GENEROUS funding from the

**Mikkelson
Education Fund**

& Jim Mikkelson

*Providing Support for Teachers to
Improve Technical Knowledge and Skills*

Additional Funding by

USAFA K-12 STEM
Outreach Program

Dan Furstenau Memorial
Donation

Note: Local school districts
(D49, D11, D20, D12)
support our programs
by providing meeting spaces,
reasonably-priced bus transportation,
documentation of professional development
hours, and meeting supplies (copies).
