Classroom Tool - Thinglink

Wednesday, September 8, 2021

Virtual (Zoom)
4:00 pm – 6:00 pm

Presented by:
Terrie Watts, Discovery Canyon H.S.

ThingLink is a technology platform that makes it easy to augment images, videos, and virtual tours with additional information and links. This technology tool can be used by teachers and students alike while in person and/or virtual learning.

HIGHLIGHTS

Important Information...

- Bring your science notebook* and a pen or pencil.
- This workshop is virtual!
