Minerals and Mining in Colorado

Saturday, May 7, 2022

8:00 am – 12:00 pm

Western Museum of Mining and Industry

225 North Gate Blvd

Colorado Springs, Colorado 80921

Presented by: Lauren Knight, Education Coordinator

"The mission of the WMMI is to educate the public about the history and continuing contributions of mining, ranching and other supporting industries in the American West. WMMI is a unique and interactive museum designed to educate the public about the importance, and controversies, of mining and industry." (<https://wmmi.org/>)

Remember to Bring...

- Your science notebook*!
 - Dress for both indoor and outdoor activities
 - Any personal items you may need during the meeting.
- [NOTE: There will be restroom facilities available.]

* PALS provides a free science notebook at your first meeting of the year !

This will be the last day to pay for Spring Semester CSM credit.
