

Peak Area Leadership in Science

Professional Development Opportunities
for Secondary Science Teachers

RSVP

not required
for this OPEN HOUSE !

PALS Open House Saturday, August 3, 2024

Come and go as you like...
But remember... the early
worm often gets the worm!
And... the second mouse
often gets the cheese !

at The International Dance Club:

2422 Busch Ave, Colorado Springs, CO 80904

Come anytime 9:00 am – 11:00 am

Brought to you by the PALS Hub Coordinators !

**PALS wishes you a
PHENOMENAL school year !**

“A phenomenon is simply an observable event. In the science classroom a carefully chosen phenomenon can drive student inquiry. Phenomena add relevance to the science classroom showing students science in their own world. A good phenomenon is observable, interesting, complex, and aligned to the appropriate standard.” *

JOIN us to **experience one or more science PHENOMENA** that you could use in **YOUR science classroom this year.**

*<https://thewonderofscience.com/phenomenal>

Freebies - If you (seasoned teacher) want to bring materials to give away, you may - as long as you take your “leftovers” at the end off the open house. Let Nancy Hampson (hampson.ne@gmail.com) know if you plan to donate freebies.

HIGHLIGHTS

- ◆ **We'll have refreshments !**
- ◆ **PALS will share its 2024-2025 Program !**
- ◆ **Be the first to sign up for our first hub meeting scheduled for 8.24.24**
(HINT: Climate Focus + Bus Trip)
